"That this Council provides a detailed report on the number of derelict sites currently on the records of this local authority for the last 5 years on a year-on-year basis.

That the report informs on how many sites were removed from the list as a result of intervention by the local authority, how many are currently being pursued through legal action, how much money has been collected year-on-year in levies over the last 5 years and what work was carried out by the local authority with monies collected.

That this Council further provides the report on the number of derelict sites in the ownership or under the charge of the local authority itself for the past 5 years.
