	"That, in light of the now grave and immanent threat of serious inundation of our main towns through a combination of high tides and increasing winter rainfall levels, that Louth County Council calls on Government to expedite the flood protection measures for our homes and businesses and land management plans for the Neagh Bann and Eastern River Basin districts"	
Motions	Submitted By: Pio Smith	Item ID: 1533
	Date Submitted: 04/04/2016 00:00:00	Owners:

Calling on Louth County Council to contact the relevant Minister and request that the current Rates legislation be reviewed to take account of the current business environment and consider introducing the following changes:

1) Eliminate the two moiety payments as currently in place and instead ensure that when the rate demand is received it details the amount due and allows for the respective rate payer to enter into a payment plan(if necessary) with the Local Authority to clear any outstanding debt.

2) Allocate powers, similar to the Revenue to the Local Authority for the collection of rates.

3) Require the Business Person/Company to register each year on-line the property(ies) that they are operating from and that they sign up to the way they are going to pay e.g. one payment lump sum, monthly, weekly etc. The system would be beneficial to both the local authority and the Revenue in collecting taxes.

Louth County Council ask that Section 32 of the Local Government Reform Act 2014 be examined and clarification issued as to how the above changes can be implemented"
