	"With the real possibility of a 'no-deal' Brexit remaining as high a threat as ever, Not only will the economy take a significant hit if a no deal Brexit was to materialise, the State's finances would also suffer but there is also a concern from Citizens particularity in Louth as to how great the detrimental impact of such a scenario would have on their day to day lives. In those circumstances I am calling for Louth County Council to set up a Sub Committee to assess and if necessary intensify Louth County Councils preparations for all possible Brexit outcomes, including a 'no-deal' scenario."

	"Louth County Council calls on the Government to honour agreements that were reached in 2017 with Health Service support staff and their employers – the Department of Health and HSE. These workers include hospital porters, healthcare assistants, chefs and surgical instrument technicians. Without these workers our hospitals would not be cleaned, patients' food would not be served and our health service would not function."

	"Louth County Council supports the extension of voting rights in Presidential elections to citizens of the North and the diaspora. Louth County Council calls on the Taoiseach to bring the Presidential Voting Rights Bill before the Dáil in advance of recess in July to ensure that the referendum is held in October/November 2019."

	"Recognising the success of the Council's Centenary Committee during 2016, and the work done by LCC Archives to recognise 100 years of Local Government in Louth, this motion calls for the re-establishment of a Centenary Committee to mark ongoing and significant events during the Decade of Commemorations from 2019 through 2023."

"Whitestown Village in North Louth was deemed a listed village some 15 years ago with all houses and many curtilages being brought under the listed category. While it is accepted that the Village has many features worthy of preservation, the blanket listing which exists has in actual fact been detrimental to the preservation, revitalization and enhancement of the Village. I wish to propose that the Village be de-listed and that the aspects of the village worthy of preservation be protected by the normal planning procedures."

<p>"That Louth County Council request that the Minister for Finance, Public Expenditure and Reform include funding in the 2020 Budget for the development of our indigenous Bee Keeping industry. This industry whilst popular in Louth needs extra resources and encouragement, to promote new members to get started and the encouragement of established Bee keepers to expand and improve. The value and the protection of the honey bee should be promoted and encouraged. The honey bee is the world's most important pollinator of food crops, therefore is crucial to the health of our future ecology."</p>
