F. Pentony

### 5.0 Infrastructure Report

F. Pentony

---

#### *Míreanna / Items*

### 6.0 Drogheda Allocation of Members Community Grants

### 7.0 Climate Action Video

---

#### *Fógraí Foriarratais / Notices of Motion*

### 8.0 Motion - Cllr. Pio Smith

“That this Borough District investigate the possibility of installing new cycle lanes on the Newfoundwell Road.”

### 9.0 Motion - Cllr. Michelle Hall

“That the Council examine speed and traffic counts with a view to installing suitable traffic calming measures on Slate Row, Termonfeckin in accordance with Louth's Road Safety Policy.”

### **10.0 Motion - Cllr. Declan Power**

“Calling on Louth County Council to make provision of funding to install a footpath on the grass bank in Termon Abbey adjacent from Beech Wood Drive to the main road. Most residents in this area would use the grass bank as a short cut when walking to school or heading to town. The provision of a footpath in this area would greatly improve the quality of life for residents including wheelchair users and users with baby buggies.”

### **11.0 Motion - Cllr. Declan Power**

“Calling on Louth County Council to install a Bicycle repair and pump station including bicycle bays or racks for security at the car parks of Port Beach, Little Strand Beach in Clogherhead and Seapoint Beach Termonfeckin. This can be done on a piloted basis and if successful could be rolled out in other areas around the County. The public repair and pump station will be a one-stop-shop for cyclist repairing their bicycle and tyres in a convenient location or lock safely as they explore the area, grab a coffee or walk on the beach.”

### **12.0 Motion - Cllr. Tom Cunningham**

“That Louth County Council install a hand rail on the slipway at Port Oriel, Clogherhead to aid the swimmers entering and exiting the water.”

---

*Fógraí Ceistanna / Notices of Questions*

---

### **13.0 Question - Cllr. Tom Cunningham**

“Cllr. Kenneth Flood had paid for a traffic survey at the entrance to Termonabbey from his councillors allocation.

- What was the findings of this survey?
- What measures were recommended from the survey to help the flow of traffic exiting from Termonabbey?
- What measures are going to be implemented at this junction?”
