- Tuesday 15th November

There was a discussion as to the most appropriate medium in which the meeting should be held and it was agreed, subject to any decision from CPG that the February meeting was likely to be hosted virtually but members agreed it was important to host a least one of the meetings in person during 2022 subject to public health advice.

The work programme for 2021 was reviewed and staff were thanked for their input for what was a series of productive and informative meetings in 2021.

The work programme for 2022 will include revising some of the matters considered during 2021.

The 2022 work programme will include

- Rental Property Standards Inspection
- Long Term Leasing
- Home Security Scheme
- Disability Strategy – in the context of the national policy
