8.0 Notice of Motion - Cllr Dolores Minogue

That Louth County Council, in recognition of the long-standing cultural, educational, and musical contributions of the Ardee Concert Band to the town and wider community, supports the development and installation of a permanent bandstand in Ardee. This structure would serve as a public performance space for the Ardee Concert Band and other local groups, enhancing community engagement, promoting the arts, and providing a focal point for musical and civic events in the town.

9.0 Notice of Motion - Cllr John Sheridan

That the Ardee Municipal District would have an update on how many valid CIS applications (Community

involvement scheme for resurfacing public tertiary lanes) are on the file in the district and a listing of the lanes that have valid applications in the district, including the lane name or townland and the LT road number of the lane application. This listing would assist councillors in providing guidance to constituents if they have valid applications or not
