Motions

6.0 Motion - Cllr. John Sheridan

"That Ardee MD propose the official naming of the road between the N33 junction and Hale Street as the road currently being 'nameless' is no longer suitable given the new Castleguard Manor estate being built and that the MD would engage with local secondary school students to research a name that has suitable local links and historical resonance. It should be noted that the term 'link road' is sometimes used but that the main N33 is also called 'the Ardee link road.'"

7.0 Motion - Cllr. Pearse McGeough

"I wish to call for traffic calming measures including ramps in Cappocksgate Housing Estate."

8.0 Motion - Cllr. John Sheridan

"That the MD would set up a sub-committee to liaise with local groups to have a collaborative cross party and cross community approach for the 2020 Tierney/O'Carroll commemoration given it is the 100th anniversary of their deaths during the War of Independence."

9.0 Motion - Cllr. Jim Tenanty

“I am calling on the government to deliver on the 2008 Labour court ruling to grant pensions to community employment scheme supervisor and assistant supervisor. I am asking support on this motion as community scheme are invaluable voluntary community organisations.”
