Fógraí Foriarratais / Notices of Motion

6.0 Motion - Cllr. John Sheridan

"That Louth County Council would review taking in charge the LT22211 at Mitchelstown Togher given it is effectively a public road leading to Dunany beach and is used by many members of the public when going to the beach. The road is one of very few, if any, roads in the county that is deemed tertiary when it is used to access a public beach. To ask local residents to apply via CIS and take the cost of resurfacing a road that is used by many members of the public appears to be unreasonable."

7.0 Question - Cllr. Dolores Minogue

"Has LCC any plans for affordable housing in the Ardee Mid-Louth area?"
