10.0 Motion - Cllr. Dolores Minogue

“That this Council develop a greenway which can be developed mostly along the old railway line, it could connect Dromin Dunleer on to Cligherhead /annagasssan which would bring in the Viking history and other Louth stories

We can create a walkway and cycle lanes for all members of our society. The Greenway would be a great addition for the area while creating a safe place for all to be more active

The Greenway could provide safety for all as it would be mainly off main busy roads.”

11.0 Motion - Cllr. Dolores Minogue

"That this council seek to have the Leinster Fleadh brought to Ardee , having the Fleadh in Ardee Mid Louth will be an opportunity for many musicians and a platform to showcase Ardee Mid Louth."
