Ardee Budget Meeting

The Chief Executive advised the members that the budget was still in the process of being drafted and that she was proposing to maintain the allocation for the Municipal Districts for 2017 at €65,000. The Head of Finance advised members that they must agree the amount at this meeting but could decide at a future meeting how the money should be spent.

It was explained to members that this money would not be used to fund St. Patricks Day or Christmas events. While other events throughout the county would be funded from the Economic Development budget not all of them, such as the Halloween Festival, were guaranteed funding from this source. It was also clarified that twinning events with the Italian town of Netunno would not impact on the €65,000 municipal district allocation.

Proposed by Cllr. L. Reilly
Seconded by Cllr. C. Markey

It was agreed by the members that the €65,000 be ring fenced and a decision on how it is utilised be made at a future meeting of Ardee Municipal District.

There being no other business, the meeting concluded.
