

River Basin Management Plan and proposed Areas for Action in Co. Louth for the next 4 years

Find out about the proposed river and lake water bodies identified for action in Co. Louth as part of the draft River Basin Management Plan. Louth County Council will hold a briefing session on **Friday 29th September from 4-6pm in the Council Chamber at the Town Hall in Dundalk**. There will be a presentation, question and answers, followed by a discussion session focused on the proposed Areas for Action. Maps displaying Water Status and Risk for all water bodies and maps of priority areas at risk will be available for viewing.

We are interested in hearing your feedback on the proposed priority areas identified for action in Co. Louth as these areas will be part of the final River Basin Management Plan 2018 – 2021 due to be finalised in December.
