107 2023	06.11.23	<p>Under the Freedom of Information Act 2014, I request the disclosure of the names of individuals who submitted complaints in any format to Louth County Council, as indicated in the attached record for your convenience. The request is made based on the HSE zero tolerance approach to safeguarding vulnerable adults from any form of abuse as well as LCC acting contrary to duty of responsibility to safety of private citizens in the region. The CE has stated in LCC statutory meetings that she has a duty to protect the corporate body from legal action. C Matthews stated that it is the intention of LCC to 'avoid any litigation' on page 12 of the attached record. However, LCC Executive powers do not extend to the neglect of safety of the public from abuse by individuals who may or may not have used the complaint system to exercise a sustained campaign of harassment at the home and residents of protected category persons. The disclosure of complainant names allows a matter of safety to progress for those affected persons using proper avenues. 118 2023	07.12.23	I am requesting the information as a journalist wishing to see all of the records held by Louth Co Co in relation to LMFm (Radio) and also all of the records held by Louth Co Co in relation to my radio show The Michael Reade Show on LMFm from the date 12/05/2003 up to and including the date 07/12/2023.I am seeking this information in relation to a matter of significant public interest, as I am working on a story that centers on how Louth Co Co treats media requests, FOI Requests and if the council is as transparent as the public should expect a local authority to be. This in fact goes to the heart of democracy. I am making this request on foot of some very significant failings on the part of the council's handling of an FOI request, as decided by the Office of the Information Commissioner [Council Reference: FOI 46/2023]. The purpose of this request is to establish if those failings were down to incompetence on the part of Louth Co Co or if the council or its staff sought to undermine the process, despite its statutory obligations. My request applies to all departments.	Journalist
