Dear Sir,

I wish to make a submission in regard to the proposed LCDP 2021-2027 in specific regard to the zone 1 requirement specifying a landholding of 3 hectares. This is in my opinion totally unfair and discriminatory to non farming community who have sufficient lands for proper and safe development of additional properties for family members.

I suggest the wording to be altered along the lines of :

.....who owns a landholding of at latest 1 acre.

I appreciate that a balance needs to be found and the above proposal I believe would be a fair and decent way to proceed.

Best Regards
