Dear Sir,

I wish to make a submission in regard to the inclusion of clause 6 from the Zone 2 qualifying criteria in Zone 1 qualifying criteria.

Clause 6 refers to persons who are providing care to elderly or disabled persons and the need for them to live in close vicinity to the older person.

A person's health situation does not care or distinguish between zones 1 and 2 so it is incomprehensible to me that this clause 6 does not apply to Zone 1.

Best Regards
