Re: Draft Louth County Development Plan 2021-2027

Dear Sir / Madam,

On behalf of our client, Hugh McMahon, please find enclosed a submission in respect of subject lands at Town Parks, Black Ridge Road, Ardee, Co. Louth.

We trust the attached submission will be taken into account by the Planning Authority in formulation of the development plan.

If you require any additional information do not hesitate to contact us.

Yours sincerely,

Ronan Woods
Director

Proposed Zoning (As Per Draft 2021-2027 CDP)

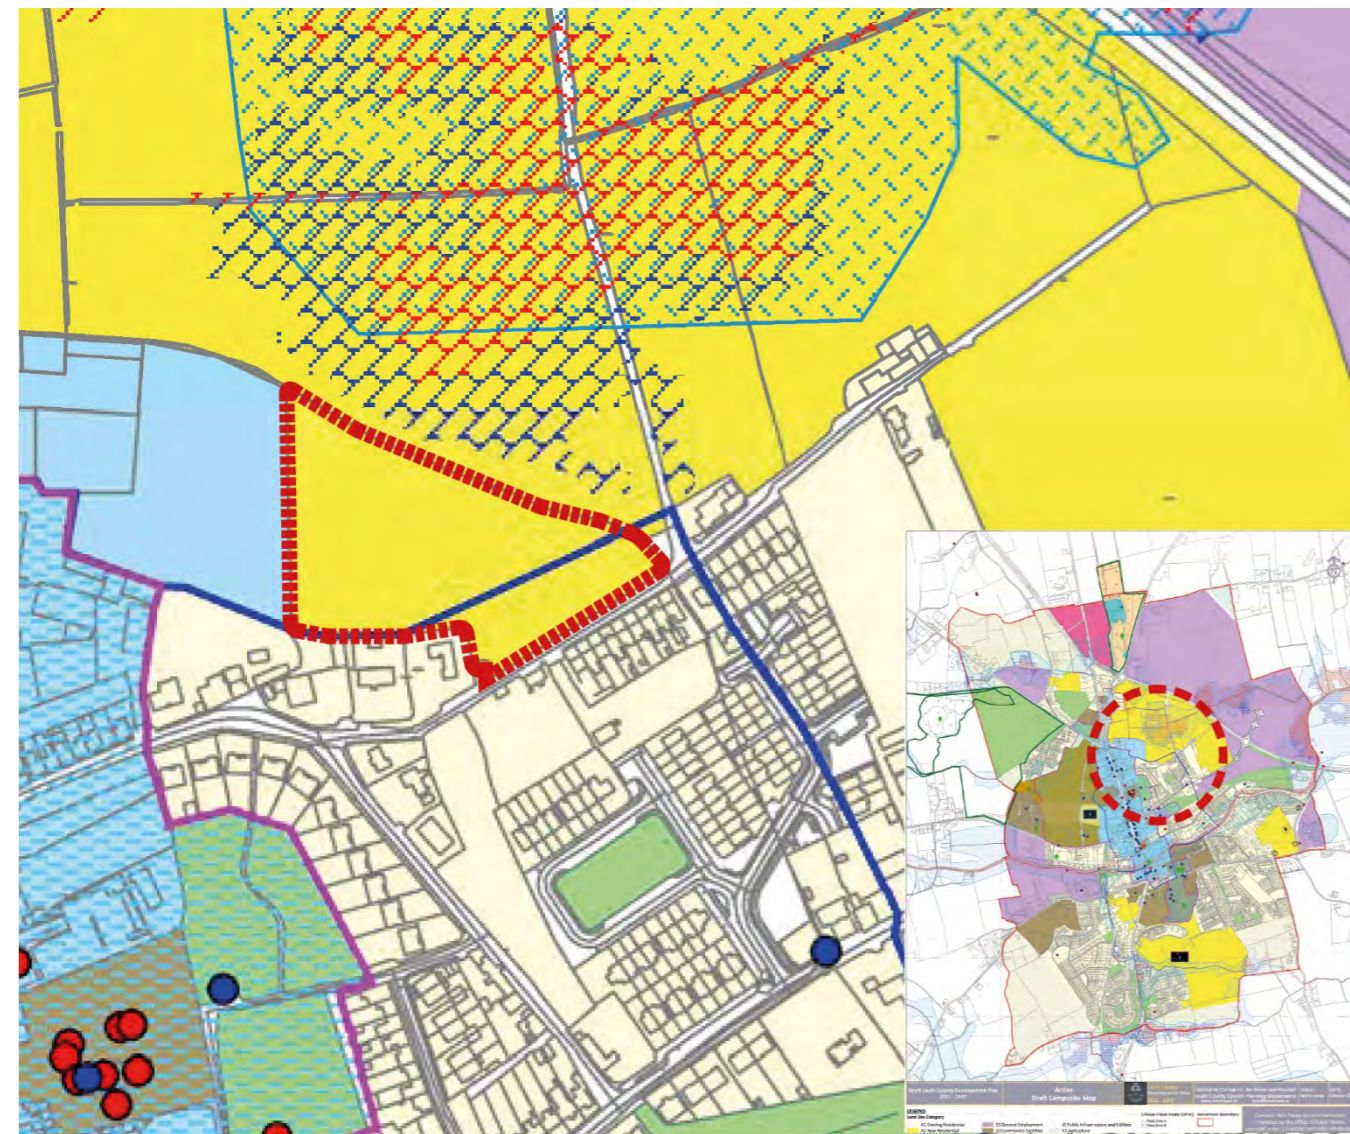

The subject lands are designated as per the published Draft CDP 2021-2027 as:

‘A2’ New Residential

For reference we refer to this “A2 - New Residential” zoning as shown in the proposed draft CDP 2021-2027 below.

It is our considered assessment that this designation proposed for the subject lands is appropriate going forward.

In the context of our client’s proposals being progressed to deliver housing units on the lands we request the Planning Authority to maintain this proposed zoning.

Proposed Zoning under Draft Louth CDP 2021-2027

Recommended Zoning

As the Planning Authority will note, the section 28 development plan guidelines state:

- Development plans should be strategic
- Development plans should be a catalyst for positive change and progress
- Development plans should anticipate future needs on an objective basis
- Socio-Economic Development is to be promoted

Going forward, as part of the 2021-2027 CDP we request:

- The Planning Authority include the subject lands within the settlement envelope for Ardee.
- The subject lands are zoned in entirety for ‘A2’ New Residential.
