Re: Draft Louth County Development Plan 2021-2027

To Whom It May Concern,

We write to you on behalf of the members of the Drogheda Branch of the Irish Wheelchair Association (IWA).

We are very supportive of the Drogheda 'Changing Places' Campaign which is seeking to have at least 1 x 12m², specifically designed, toilet facility located in Drogheda. This would ensure people with complex disabilities could fully participate in all aspects of community life. This facility would not only benefit the people of Drogheda but also visitors to Drogheda and its environs.

Louth County Council, under the stewardship of Joan Martin, has been proactive in many initiatives to improve the lives of the marginalised in our society. Implementing the 'Changing Places' initiative would see Louth Co. Co. leading the field in this area and including 'Changing Places' in the 2021-2027 Development Plan would see other towns throughout Louth benefitting from the same facilities.

We trust you will give the Drogheda 'Changing Places' Campaign due consideration.

Yours sincerely,

Oliver Murphy

Chairperson

cc: Drogheda Changing Places and Beyond
