To whom in may concern,

I wish to object to the criteria set out in rural zone one.

This proposal would have a detrimental effect on the North Louth area, in terms of schools, parishes, communities, football clubs, organisations in the area not to mention the local economy.

The criteria as set out in the plan, will further diminish and erode the quality of life for families who wish to have their sons/daughters live next to them. I've watched over the years, generations leave the area. Your minimum requirement of 3 hectares is unrealistic. Our community is under threat here and i can't stand and watch that happen. Therefore i object to the qualifying criteria set out in this plan. Its time the communities were listened to.

Regards,

Michael Loughran
