To whom it may concern,

I am very unhappy with the proposed county development plan. Having lived in a rural area with my family and relations who have lived there for generations it is very disheartening to hear that I may not be able to build on our site as we had always hoped to do. As a young person who hopes to soon be a first time buyer/builder it is hard enough without adding even more restrictions.

We are currently in a pandemic. Community meetings cannot be held. Now is not the time to implement these changes. This will have a detrimental effect on rural areas and future generations.

Yours sincerely,

Megan Treadwell
