Dear Sir/Madam,

I write to respectfully ask you to postpone the roll out of the proposed plan, which contains many issues affecting the inherent rights of rural families across the County. A roll out of this plan during a global pandemic is unethical, unequal and unfair and should not be considered as the people of Louth have not been able to meet with Councillors, local residents or Planning Officers. I urge you to delay the roll out of this plan to give the people living in rural communities their right to discuss the plan with the appropriate parties.

Kind regards

Vicky Leahy
