Good Morning

Given the potential detrimental impact of the new proposed zone one and zone two on one off rural housing contained within the draft Louth County Development Plan 2021-2027, I submit the proposal that the zoning and restrictions on one off rural housing remain as is in the current development plan of 2015-2021 and that any future amendments to these policies only be considered after a future public consultation with the areas directly affected.

Is Mise Le Meas

Edel Corrigan

Sinn Féin County Councillor
Louth County Council
