

Draft Louth county Development Plan 2021-2027

To whom it may concern

I wish to raise my concerns over the proposed changes to Louth planning laws.

There is currently a homeless crisis in the county and you want to restrict access to my children to build houses in their home parishes.

What sense does that make?

This will then leave them with little choice but to buy in towns or cities where there is already a housing shortage and inflated prices.

Please rethink this decision and think of the impact this will have on those living in the area.
