Hello,

My name is Cormac Renaghan, I would like to object to the new proposed Louth Development Plan.

I have lived in Ravensdale my entire life, worked locally, and have always planned on building on a site, owned by my mother for generations.

This site is to house myself and my two siblings, and this development would destroy the hopes of our family and many others like it.

Regards,

Cormac Renaghan

B. Sc. (hons) Building Surveying

Project Surveyor
