

Draft Louth County Development Plan 2021-2027

To: LouthCDP

To Whom It May Concern,

I am writing to you to highlight a necessary amendment that needs to be made in relation to the criteria of the rural housing policy zone 2. I am a native of Dunleer but I have been living in Dundalk for the last 40 years. My father left me a site and I was hoping that my daughter who is now teaching in Dunleer would build on my site.

If this development plan is approved, my daughter would be unable to build on my site as she would not meet the criteria. I feel that Louth County Council must make an amendment to this plan in order to protect rural Ireland and its native residents.

Yours sincerely
Margaret Hughes
