Subject: Louth County Council

To whom it may concern,

We are writing with deep concern as residents and Grandparents of four children in the Cooley Peninsula and wholly object to the Louth County Development Plan 2021-2027. It would seem there has been no consideration for the next generation who will be driven out of the area as there will be no opportunity to build a house and live in the locality they were born and raised.

Regards,

Mr & Mrs Francis Marks
