RE: Submission to Draft Louth County Development Plan 2021-2027

Dear Sir/Madame,

On behalf of St Patricks GFC, Rampark, Jenkinstown, Dundalk we the undersigned wish to strongly object to the Draft Louth County Development Plan 2021-2027.

The main grounds of our objection is the re-zoning of the near entire catchment area of our club to 'Rural Policy Zone 1'. As this rezoning does not allow for the building of new family homes for our future generations we feel that the viability and sustainability of our club and indeed the future community will be lost. This rezoning does not allow for our young adults and children to build a home in the area where they were born and brought up.

At the moment we have in the region of 300 children between the ages of 6 and 17 and over 100 young adults registered in the club all of whom live in the hinterlands of Lordship, Ravensdale, Bellurgan, Glenmore and surrounding areas that covers our catchment area.

If this Development Plan is passed it will mean that in excess of 400 players registered with us and their siblings will have to move from the area and eventually our club and other clubs and associations will have to close and be lost forever.

We urge Louth County Council to reconsider the rezoning of our community Should you require any further information or clarification of any of the above please do not hesitate to contact me.
