Dear Sirs,

I wish to strongly object to the Louth County Development Plan 2021 - 2027 for the following reasons;

Family members wish to continue to live in the area where they grew up.

People who have roots in the area and contribute to the rural community should be allowed to continue living there and not forced to move away.

We are in the midst of a pandemic, now is not the time to implement these changes which will be detrimental to future generations and further isolate the rural communities.

I ask you to strongly reconsider any future plans to be made that may seriously affect the rural community and the people who grew up in these areas.

Regards,

Karen Lynch
