**Re: Draft Louth County Development Plan 2021-2027**

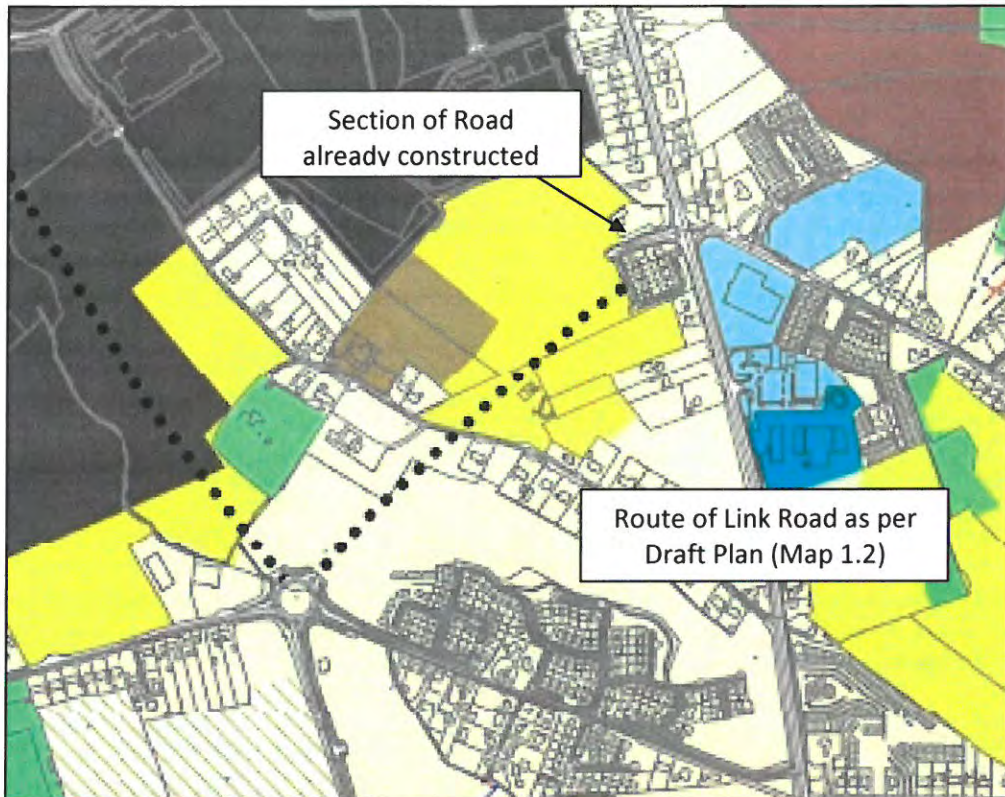

***Submission Re: Route of Proposed Link Road  
Marlbog Road Roundabout to R132/Old Golf Links Road***

We note that the route of the proposed Link Road between the Marlbog Road Roundabout and the R132/Old Golf Links Road as marked on the Dundalk Draft Zoning and Flood Zones Map (Map.1.2) does not accurately tie-in with the short length of this road already constructed as part of the Bellfield residential development.

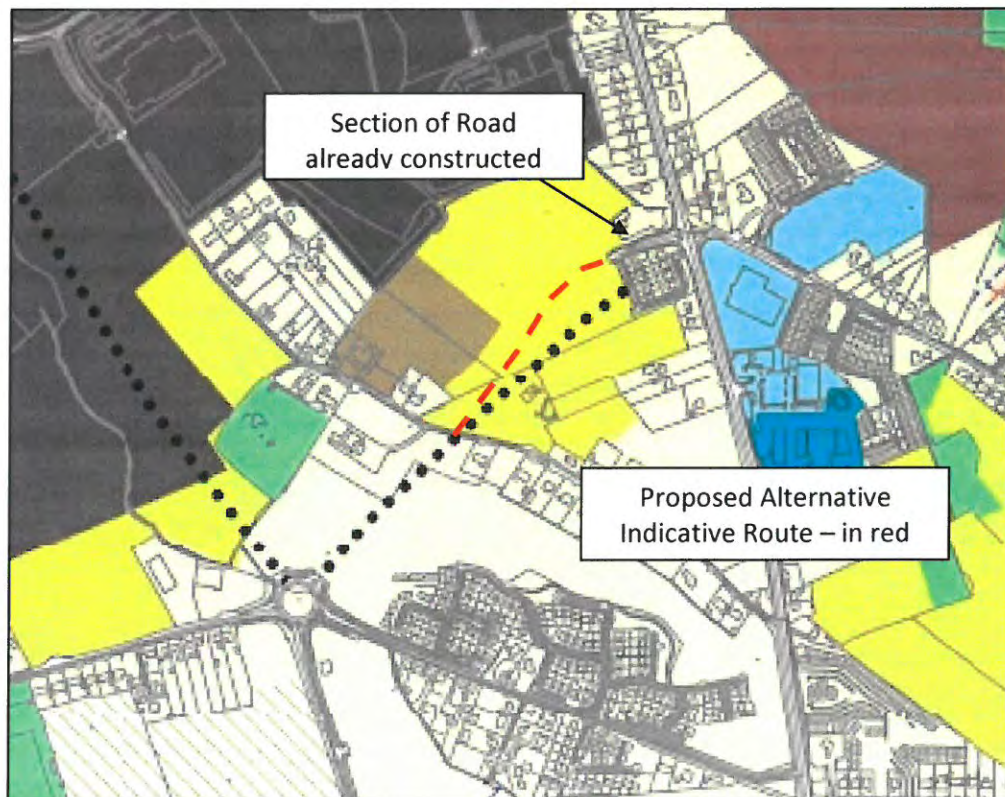

The line as shown shall also adversely impact on proposals for the further development of the Bellfield lands

While it is accepted that the line is intended to be indicative only it would be preferable to have the line follow the proposed route as accurately as possible.

It is therefore requested that the line as currently marked is revised as outlined in red on Fig.2.

**Fig. 1 – Route of Link Road as marked on Dundalk Draft Zoning and Flood Zones Map**

**Fig. 2 – Proposed Corrected Route of Link Road**
