To Whom it concerns,

The issue is in relation to the Louth County Development Plan 2021-2027.
This plan does not restrict one off housing in many locations, it PROHIBITS it...!!

If this plan comes into effect, the depopulation associated with it will have huge repercussions for EVERYONE in North Louth.

It's expected our beloved club Cooley Kickhams will be affected through the decline in registered members and an aging population. Membership fees are one of our main annual sources of income and are an essential part in keeping our club viable. This plan would also see the inevitable closure of some of our local schools. What utter devastation this would bring to our community.

The many businesses in the area both big and small would also struggle to survive.

This plan will create untold uncertainty on the future of North Louth. It will serve only in displacing an entire population in rural Ireland.
