

Draft Louth County Development Plan 2021-2027

Hi All,

I would just like to formally object to the proposed plan to change the local needs rules for Rural Zone 1. As a long term resident of the zone I find it to be very unjust that long time local residents not involved in agriculture cannot at least apply to build a family home within the 5km zone that was already set out in previous development plans.

Thanks,

Harry O'Connell
