To whom it may concern,

I am writing to you to express my concern about the Draft Louth County Development Plan 2021 - 2027.

From my understanding, the Plan will devastate so many local families, schools, businesses and sports clubs, to name a few.

I have just started a family of my own and have great intentions of living in the area that I grew up in.

I strongly believe that this Plan will make my hopes impossible. It isn't right to expect families like my own to move away from their native area & families where they call home and start our lives somewhere that I have no desire or interest to live or raise my own children.

There is no doubt that if this Plan was to come into effect it would leave my family & I devastated.

I would urge those who are responsible for this Draft to reconsider and allow families like ours to build & live in the place they call home.

Please acknowledge receipt of our objection against this development plan.

Yours sincerely,

Teresa O' Hanlon
