

Draft Louth County Development Plan 2021-2027

Daniel Ó Gallachóir []

Sent: 22 December 2020 16:37

To: LouthCDP

To whom it concerns,

On behalf of the Board of Management of Dulargy National School, Ravensdale, I wish to strongly object to the Draft Louth County Development Plan 2021-2027.

We have grave concerns over the proposed restrictions on planning in the North Louth/ Cooley Peninsula area. We feel that some aspects of the plan are penal and will result in long established families in the area having to relocate or seek to settle elsewhere because of the proposed prohibitive planning regulations.

This will have a detrimental effect on our school. The proposed measures will result in reduced enrolment in the school. Teaching posts will be lost, resources will diminish and the school will struggle to serve the community to the required level.

We earnestly request that you reconsider and amend the planning aspect of the development plan.

Yours Sincerely,

Daniel Ó Gallachóir,
(Principal, Secretary of the Board of Management)
Dulargy National School
