To whom it may concern,

I wish to register my opposition to the plan's recommendation for the Zone 1 area, as proposed.

I believe the proposed qualifications for Zone 1 planning are far too restrictive and will not allow for the familial continuity and growth in rural areas like my own. More than ever in these times of increased working from home we have an opportunity to draw young people back to rural communities and reintroduce life and vibrancy into our communities. I believe these changes would inhibit that potential.

I believe I should be able to build a house and live in the area where my parents, grandparents and great grandparents have lived. A place where I have grown up and which had a lot of history for my family. By building a house in my local area I will be supporting local businesses and therefore the local economy, allowing it to grow further.

I hope this email helps inform you of the local concerns regarding this plan.

Kind regards,

Bláthíne Donnelly
