To whom it may concern,

I wish to register my opposition to the plan's recommendation for the Zone 1 area, as proposed.

I believe the proposed qualifications for Zone 1 planning are far too restrictive and will not allow for the familial continuity and growth in rural areas like my own. More than ever in these times of increased working from home we have an opportunity to draw young people back to rural communities and reintroduce life and vibrancy into our communities. I believe these changes would inhibit that potential.

- Want to live in a rural setting

I love the area

- Ability to live near Family and friends
- Mental well-being
- Benefit your local area , support local businesses etc

I hope this email helps inform you of the local concerns regarding this plan.

Your sincerely,

Caitlin O'Hare
