To whom it may Concern,

For the record I would like to register my objection to the above referenced Development Plan.

This plan if implemented will destroy local communities, businesses and clubs. How will clubs like Bellurgan, St. Patrick's and Glenmore survive if there are no families to support their continued development and growth.

In addition local business and schools will have to close resulting in numerous redundancies.

I believe the plan needs to be re drafted with greater consideration for the above.
