Dear Sir/Madam

I am making this submission to voice my disagreement and objection to this new development plan. I live at my family home in Annaloughan and I am currently trying to get planning permission on my families land. This new development plan will make it even harder for myself or members of my family in the future to build a home here in the place we have lived all our lives. I believe these plans should be stopped and revisited to come up with a better solution.

Regards,

Aidan McCann,
