As a resident in Rural Cooley Peninsula I want to object to the Louth County Development Plan 2021-2027.

I am making my objection on the following grounds.

The Louth County Development Plan 2021-2027 makes no plan or allowance for any children in the area to continue to live in our communities. We demand provisions in the plan to allow our children to continue to live in our communities and thus allow for our community to sustain long into the future.

I am amazed this plan made it this far and we are only now being asked for our opinion.
