To whom it may concern,

I wish to strongly object to the Louth County Development Plan 2021 - 2027 for the following reasons:

Family members wish to continue to live in the area where they grew up. I have sons who would like to reside next to their parents and stay in the community where they have strong ties.

We are in the midst of a pandemic, now is not the time to implement these changes which will be detrimental to future generations and further isolate the rural communities.

I ask you to strongly reconsider any future plans to be made that may seriously affect the rural community and the people who grew up in these areas. And also the negative impact this will have on sporting clubs in the community.
