To Whom It May Concern

I would like to object to the proposed Louth County Development Plan 2021-2027. I was born and raised in Lordship and always planned that I would build a home and raise my family in my local area, close to family, who have lived here for generations. This plan is denying me that ability and can only negatively impact the local community and its sports and education facilities.

Yours sincerely

Michelle Moran (Duffy)
