To Whom it may concern,

My name is Matty O'Reilly, . I have lived my entire years in Glenmore and have now being told by you, that none of my children are allowed build on my land on which they have been reared , my youngest of 4 children being 30 years of age! You now tell me I should own my land for at least 10 years, why ??? You are allowing people from outside our community to come in and build clusters of houses which by the way, look terrible and then you maintain all of this is to help with the look of our countryside???? You are driving our children out of their communities to make room for other people who are not from our area! How can say that our children are not allowed to build where they were reared, and may I add where they love. You should really take a long look at what you are doing to our local communities and their people, also to our schools, shops, etc
Regards
Matty and Geraldine O'Reilly.
