

Re: Draft Louth County Development Plan 2021-2027

Dear Sir/Madam,

I wish to make this my submission to lodge my formal objection to the proposed Draft Louth County Council Development Plan 2021 – 2020, as proposed.

The plan as currently proposed will have a negative impact upon the people of my community in the Cooley Peninsula and potentially directly on my own children, should they wish to build a home for themselves and their families in the future in the area in which they grew up, live and contribute to the community. This draft plan, as proposed, I believe is completely detrimental to the social fabric of sustainable rural communities and discriminates against non-landowners and persons not engaged in fulltime agriculture.

I wish to be able to enjoy my life in a community where my children will be able to live, have their families and build a house if they so choose.
