To whom it may Concern,

My name is Brian O'Reilly . I am absolutely dismayed at the proposal's being made by yourselves in relation to the above subject. My family has lived in Glenmore for nearly two hundred years and this development plan will nearly certainly mean the end of our connection to this beautiful valley for future generations

This plan will have major effects on the viability of our local schools and sports clubs as it will lead to the depopulation of our locality, so I strongly suggest that you rethink what is being proposed in the development plan.

Yours hopefully, Brian O'Reilly.
