---

To whom it concerns,

We as Parents to three children , strongly disagree to this proposed development plan it will have detrimental affects on a family unit going forward

We built our home on family land and delighted with the outcome we love the rural life and fully engage in all community life within our area

St Patricks GAA

Belllurgan UTD

Glenmore AC

Carlingford knights RFC

Our children attend the local schools

Belllurgan NS and Bush post primary School

Please reconsider your plan and put our children first they are the future .

Regards,

Andrew & Sharon Tuohy
