

## Draft Louth county development plan 2021-2027

To whom it may concern

I wish to oppose the proposed development plan due to the fact that I am currently trying to find a suitable site in the Cooley area on which to build a house on and there are already a lot of restrictions in place. We have found 4 potential sites and all four have not been suitable due to restrictions such as flood zones, too close to settlement boundaries etc. I have lived in Carlingford all my life and so has my husband. If the new development plans come in we will never be able to own our own home in our home village nor will our children be able to settle here if they wish in the future. The new proposals would cause huge damage to the area in terms of schools, shops, recreation facilities etc as people will no longer be able to settle here and raise their families.

This is why both myself and my husband strongly oppose the proposed plan for 2021-2027

Yours faithfully

Clare Woods
