Dec 23

Dear Sir/Madam,

We wish to object strenuously to the adoption of the new Development Plan and the designation of Collon Area as Rural Zone 1.

The stringent regulations will be very detrimental to our close knit community. The young people and children of the Community, will find it extremely difficult to set up home in the locality. This will have a sad and devastating knock on effect on our Sports clubs, Community groups, Church and School.

We urge and implore you to rethink this designation for Collon and help save and strengthen our vibrant Community.

Thanking You,

Yours Sincerely,

Anne and Mark Leacy.
