To whom it may concern,

I wish to register my opposition to the plan's recommendation for the Zone 1 area, as proposed.

I believe the proposed qualifications for Zone 1 planning are far too restrictive and will not allow for the familial continuity and growth in rural areas like my own. More than ever in these times of increased working from home we have an opportunity to draw young people back to rural communities and reintroduce life and vibrancy into our communities. I believe these changes would inhibit that potential.

I am one of 6 adult Children in my family, I am nearing the completion of my self build and I am aware my remaining siblings all wish to build on family land and wish to settle and raise their families in Omeath, if these proposed changes are passed this will not only impact my immediate family but will have repercussion for generations to come who may be forced to move out of the area.

I hope this email helps inform you of the local concerns regarding this plan.

Your sincerely,

Francis O'Hagan
