To whom it may concern,

I wish to lodge my objection to the proposed new planning arrangements for the north Louth area and particular the Omeath area. I have been a resident of Corrakitt all my life and have raised my family of six children. If these new laws are introduced , my family will be unable to apply for planning. This is totally discriminatory to children who have been born , raised and are now working and contributing to the local economy.I urge you to please reconsider these new proposals.

Kind Regards
