To Whom it May Concern

As a resident in Rural Cooley Peninsula I want to make a formal objection to the Louth County Development Plan 2021-2027.

I am making my objection on the following grounds.

As a resident of the rural community, I have not been asked or consulted on major changes to be included in the Louth County Development Plan 2021-2027.

Based on the major changes outlined in the Louth County Development Plan 2021-2027 there seems to have been no Impact Assessment Report commissioned or completed showing the long term effects on our communities.

During Covid-19 there has not been the availability for affected communities to meet, discuss, challenge or put forward alternatives to the Plan.

The Louth County Development Plan 2021-2027 makes no provision for my son or any children in the area to create a home and continue to live in our communities. We demand provisions in the plan to allow this and thus allow for our community to sustain long into the future.

Best regards
