To whom it may concern,

My name is Andrew Lee. I reside at [] Collon and I am an employee of [] Collon. I have lived in Collon with my family since birth. I have always held ambitions of building a house of my own, adjacent to our family home.

My hope is to remain part of the community in Collon and I fear that my prospects of doing so would become incredibly limited, should the Louth County Development Plan go ahead.

As such, I wish to formally object to the proposed Louth County Development Plan, particularly relating to the Rural Zone 1 designation and its stringent regulations.

If this plan goes ahead as proposed, it will lead to much devastation in rural areas of the county, with many people, like myself, forced out of their communities.

I hope to see it rethought and a more optimal solution reached.

Kind regards,

Andrew Lee
