Hi,

Just a minor observation to submit – the Louth County Council “Climate Adaptation Strategy 2019-2024” is referenced in numerous places throughout the document, but the title is not always correct:

Examples include:

Chpt & Page	comment
1-23	Title reference Should be “Climate Change Adaptation Strategy 2019-2024”
2-24	Section 2.9 title reference Should be “Climate Change Adaptation Strategy 2019-2014
6-4	TOU3 - title reference Should be “Climate Change Adaptation Strategy 2019-2024”
10-20	IU50 - reference should be Climate Change Adaptation Strategy 2019-2024
12-12	CS5 reference should be Climate Change Adaptation Strategy 2019-2024
12-25	CS5 reference should be Climate Change Adaptation Strategy 2019-2024
12-27	IU50 - reference should be Climate Change Adaptation Strategy 2019-2024

Mise le Meas,
David Hanratty
