

Draft Louth County Development Plan 2021-2027

Seán Ó'h-Éiligh []

To: LouthCDP

To Whom It May Concern,

I would like to raise my families objection to the proposed restriction for once off rural housing. My family have lived in rural Louth for 5 or 6 generations and future generations under this draft proposal are going to be forced to live in an urban setting. This is just not acceptable and unfair.

Is mise le meas
